Tips to Register for Camp

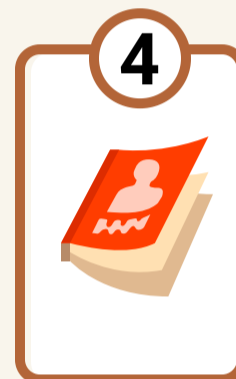

1
Register early. Registering in December-February gives you the best session options.

2
Create an account and register online at www.truefriends.org/register-pay. Choose the camp application.

3
Set aside at least one hour to complete the application.

4
Have the catalog open when you register.

5
Match your care ratio to offered session ratio.

6
Choose more than one session to increase your chances of getting into a session. Ensure to note if you want more than one session.

7
Decide who should be the primary contact. The first person we call will be the #1 Parent/Guardian. #1 Parent/Guardian is responsible for sharing information with others.

8
Fully complete forms before moving onto the next. When all forms have a green check mark next to them, you are set to go. You will receive an email confirming your submission.

9
Keep accurate information. If information changes from the time the application is submitted to when you arrive, please call us with the new information.

10
If you submitted an application and you haven't heard from us within three weeks, please call, there may be an issue that needs to be resolved.

If you have any further questions, please call 952.852.0101 or email registration@truefriends.org.
