

Led by a trained wilderness guide who promotes independence and growth, Adventure Trips foster friendships, build skills, raise adrenaline, and enhance confidence through exploration of the great outdoors. All trips depart from Camp Courage, Maple Lake.

BWCA TEEN ADVENTURE

Individuals will embark on a 4-day, 3-night adventure through the BWCA. The group will be shuttled to Magnetic Lake where they will paddle northwest along the US/Canadian border, while crossing several bodies of water including the Pine River, Clover, Granite River, Gneiss, Maraboef, Saganaga, and Seagull River. Along these routes, campers will experience scenic waterfalls, rushing rapids, camping on islands, and sleeping under the stars as they make their way back to Voyageur Outfitters.

NORTHWOODS AUTISM ADVENTURE

In collaboration with the Autism Society of Minnesota (AuSM), this week-long trip is tailored to the needs of teenagers with an autism spectrum disorder. Individuals will have the opportunity to delve into many wilderness adventure challenges such as hiking, biking, white water rafting, rock climbing and more. Applications will be shared with AuSM and those new to the community will receive a complimentary year-long membership.

NORTH SHORE

Individuals will stay at state park sites along the North Shore of MN, exploring the Lake Superior wilderness, viewing waterfalls, swimming, fishing, and hiking. This trip is light on carrying gear, but heavy on adventure.

WISCONSIN

With rock climbing at Governor Dodge State Park and Devils Lake, canoeing the Wisconsin River, hiking to see waterfalls at Willow River State Park, this is the perfect trip for adventure.

NORTH COUNTRY

Beginning with a visit to the Headwaters of the Mississippi in Itasca State Park, campers will explore the home of Charles Lindberg, hike Savannah Portage, tame the white water of the Kettle River, and rock climb at Banning State Park.
