

Dear Camper and Horse Program Participant,

Welcome to True Strides! We are looking forward to a great summer with you as a participant in one of our horse sessions. Our program is directed by Shari Mangas, OTR and Path Certified Instructor. In addition to Shari we have highly trained staff experienced in working with horses, children and adults with special needs. Our team knows how to make it fun and safe at the same time. We will be following the Path International guidelines for safety standards to ensure all participants have a fulfilling, safe experience.

In order for a rider to participate in any of the programs they must:

1. Wear long pants and closed toed shoes;
2. Wear a helmet while on a horse. A helmet is provided;

Please Note: weight and ability to sit balance can be a prohibiting factor. It will be up to the discretion of the instructor as to the participant's qualifications to ride. We do back ride with individuals, however safety, behaviors and weight can be prohibitive to back riding.

Individuals who do not meet these policies are still encouraged to participate in all of the non-mounted horse activities, including grooming, paintings and learning about the horse.

Paperwork Requirements

To ensure that each participant can benefit from Mounted Riding Activities all paperwork found in the application packet for True Strides is required. All paperwork must be fully completed and returned at least three (3) weeks prior to attending the first session. Guardians, it is your responsibility to see that the physicians form is signed and returned.

The Liability Form must be returned or the participant will be unable to ride.

Thank you for entrusting us with your camper. We assure you this experience will be safe, fun and memorable. We look forward to seeing you this summer!

In Friendship,

The True Strides Team
