Cancellation Policy

If for any reason your child will be unable to make their scheduled appointment time, a 24-hour notice must be given in order to avoid being charged for the full session (Please note we **CANNOT** bill the waiver for a missed appointment, so responsibility of the full payment is on the client). We understand that sudden illnesses or emergencies arise, please call us as soon as you know your child will be unable to make their session due to illness.

Missing a session without any prior notification (no show) for any reason will be billed to the client in full. We ask that no more than three (3) cancellations occur every quarter throughout the year. The quarters will be as follows: January-March / April-June / July-September / October-December

If three (3) or more cancellations or skipped sessions occur in a given quarter, we reserve the right to schedule another family into that time slot. Sessions begin promptly at the agreed time. If the child is late for the session, the session will still finish at the scheduled time. This policy is in place out of respect for our therapists and clients. By giving last minute notice or no notice, it prevents someone else from being able to schedule into that time slot.

True Friends reserves the right to cancel a session due to circumstances beyond our control including severe weather or due to a lack of staff. If this occurs, staff will notify you within a timely manner. Clients will be rescheduled for another session or could be refunded entirely.

Extended Leave Policy

In an effort to provide effective and efficient treatment to all of our clients, it is the policy of True Friends Therapy and Adaptive Riding program, that clients taking an extended leave, exceeding three consecutive weeks, notify their therapist immediately. If a client does not notify the therapist and three consecutive weeks are missed the session time will be immediately rescheduled to another client. If your session is rescheduled, please contact True Friends if you would like to initiate therapy once again. We cannot promise that the same time, day or therapist will be available.
