International Travelers

Whether you are planning your own travel or Camp Leaders is helping you, here are some important travel details for you.

Arrival

- You will arrive in Minnesota at the Minneapolis/St. Paul International Airport (MSP)
- True Friends will provide transportation from the airport to your orientation location.
- Plan to arrive 2 days before your orientation start date/time as listed on your offer letter. Jet lag is real, and we want to ensure you have time to adjust before you start orientation.
- If possible, please plan to arrive between the hours of 0600 and 2200. It is about a 2 hour round trip, and we'd appreciate not having to stay up super late or wake up super early. We understand flight delays are out of your control, so don't panic if that happens.
- Pick up staff will be waiting inside baggage claim with a True Friends sign.
- On busy arrival days, you may be asked to wait as we try to be efficient in transporting as many staff at once as we can.
- If your orientation location is different than the camp you were hired to work at this summer, we will also provide transportation to that location.

Departure

- You have 48 hours from the end date listed on your offer letter to leave camp.
- True Friends staff will provide transportation, if communicated by the deadline during the summer, to the Minneapolis/St. Paul area within those 48 hours. After the 48 hours, you are responsible for your own transportation and lodging off-site.
- On busy departure days, you may be dropped off earlier than your flight as we try to be efficient in transporting as many staff at once as we can.

Misc.

- Any flight related questions (picking seats, baggage restrictions, etc.) should be asked directly to your airline. True Friends staff cannot help you with this information.
