True Friends Travel needs to have the traveler ID uploaded with all documentation submitted in order to hold your travel vacation.

Beginning May 7, 2025, Minnesotans, 18 years of age or older, will not be able to use their standard driver's license or identification card to board domestic flights or enter certain federal facilities. Instead, they will need one of three options:

- Minnesota REAL ID driver's license or identification card.
- Minnesota enhanced driver's license or identification card.
- Other federally approved forms of identification. They are listed online here, but include:
    - U.S. passport or passport card.
    - Foreign government-issued passport
    - U.S. Citizenship and Immigration Services Employment Authorization Card (I-766)
    - Permanent resident card
    - Border crossing card
    - Federally recognized, tribal-issued photo ID
    - U.S. Department of defense ID, including IDs issued to dependents

Check for the Star

Not sure if you have a REAL ID driver's license or ID card?

- **REAL ID:** Minnesota REAL ID driver's licenses and identification cards display a star.
- **Enhanced:** Enhanced driver's licenses and identification cards display the words "Enhanced Driver's License" or "Enhanced Identification Card" and a U.S. flag**.** Cards issued after Jan. 1, 2021, also display the star to show the card meets REAL ID requirements.
- **Standard:** A standard driver's license or identification card displays the words "Not for Federal Identification".

You can verify the type of card you have online at drive.mn.gov. Select More Driver Services from the Driver Services panel and click the Driver's License Status link.
